Re: Proposed FY 2024/2025 Budget

Date: 06/24/2024 UPDATED COPY

Attached for your review and consideration is a copy of the proposed FY 2024/2025 budget. A public hearing was held on June 6, 2024 at 7PM during our monthly June Town Board meeting at Town Hall. This proposed budget is based on the discussion that we had at our first budget workshop, during the public hearing for the proposed budget, and at our special called meeting on Tuesday, June 11th.

This budget includes a 7% Cost-of-Living Adjustment for all of our employees. We need to look for ways to be more competitive when it comes to our salaries and benefits. It is much easier to retain a good employee than recruit a new employee to fill a vacancy left by a good employee.

I would like to point out that this is the proposed operating budget for the next Fiscal Year. We have a lot of exciting projects that will be taking place in Erwin over the next two years that have been funded by grants from the State of North Carolina. I would like to thank Representative Penny and Senator Burgin for their assistance in helping the Town of Erwin get these funds for our citizens. A brief list of the projects are below:

- \$500,000 for a storm water management study/plan
- \$480,000 for recreation improvements and expansion
- \$500,000 for economic development purposes
- \$50,000 for other recreation improvements.
- \$100,000 for improvements to our Community Building
- \$1,000,000 grant for water and sewer improvements that was originally awarded to the Town of Erwin but was redirected to Harnett Regional Water due to the fact that Harnett Regional Water handles our water and sewer services.

The Town has applied for a grant from the N.C. Department of Transportation to help us with the development of a Bike/Pedestrian Plan. We have also applied for grants with various state agencies for assistance with a stream restoration project for the stream that runs through W.N. Porter Park. We have been awarded around \$60,000 so far in grant funds that I am still waiting to hear additional information about. We have also applied for grants that could help us fund Phase 2 of the East Erwin Drainage project.

Budget Highlights:

- The proposed budget includes a contribution to the Erwin Fire Department based on a \$.095 tax rate.
- The proposed budget calls for keeping the property tax rate at the same rate of \$0.48.
- Our current waste provider GFL has passed on a 7% increase in rates due to inflation.
 - Trash collection- currently it is \$7.15/month per container to \$7.92/month per can
 - Recycling collection – currently it is \$2.75/month per container to \$3.05/month per can
- The proposed budget includes a 7% Cost of Living Adjustment (COLA) for all of our employees.
- There are funds in the proposed budget to move forward with installing the Flock camera system in the Town of Erwin.
- There are funds in the budget to purchase new body cameras, Tasers and hand guns for the Erwin Police Department.
- Health insurance rates are \$560/month
- Dental insurance rates are \$34.39/month
- Vision insurance rates are \$7.16/month
- There was an increase in the retirement rates set by the State of North Carolina:
 - The rate is 15.04% for law enforcement and 13.67% for all of our other employees
- There are additional funds allocated in this budget for contracted services in the Planning Department to clean-up dilapidated properties.
- There are funds of \$11,856 to pay Harnett County for handling our fire inspections.
- There is no fee from Harnett County for the Erwin Public Library in the proposed budget. This is the first year that we have not had to pay for this service. The library consolidation project has gone really well. I continue to hear great things about everything that is happening at the Erwin Public Library. They are offering longer hours and more services now as a result of the consolidation project.
- The proposed budget does include a one-time transfer of \$91,409 from the American Rescue Plan Fund to the general fund to cover general governmental operations. These are the remaining funds that we received from the American Rescue Plan and they have to be appropriated by 12/31/2024.
- There are funds for an ADA transition plan. It is a requirement for municipalities that have over 50 employees (including part-time and members of the Board). We are getting very close to this threshold.
- There are funds in the budget for a Town family event day.
- There are funds in the budget to update our way-finding signs.
- There are funds in the budget to help with some improvements at the Erwin History Room.

- There are funds of \$25,000 to pay Harnett County Animal Control for animal control services in the upcoming fiscal year. We need to prepare for another increase for this service. The cost of providing this service has increased significantly and it will continue to rise so we need to be prepared for other increases. The fee was \$12,000 in the current fiscal year.
- The current amount that I have budgeted for our annual audit is \$14,500. In the proposed budget I have requested funds of \$27,500. This is due to all of the grant funding the Town will be spending over the next Fiscal Year we will need to have a single-audit completed.
 - Just to clarify, we have received state and federal grants in the past but they were under the threshold that requires a single-audit. The amount of grant funding that will be expended in the upcoming fiscal year will require a single-audit.
- In the proposed fee schedule I have asked for a slight increase in the fees listed below:
 - Trash collection- currently it is \$7.15/month per container to \$7.92/month per can
 - Recycling collection – currently it is \$2.75/month per container to \$3.05/month per can
 - Increase of \$50 for variances, rezoning and text amendment cases to cover the higher costs of advertising for each public hearing (mailed notice, and other advertisements). The proposed fee for text amendments, special use permits, rezoning request, and text amendments is \$350.
 - Rent fee for the Community Building is set at \$300/daily fee for residents and \$400 for nonresidents. We can adjust this if needed once we get the improvements to the building finalized and opened.
- There are funds in a contingency line item in the Board of Commissioners budget to cover the costs of a pay study for our Town Staff and any other unexpected expenditure.

REQUESTED PERSONNEL CHANGES

- The proposed budget does not include any new positions. It does propose shifting one of our open vacant positions from the sanitation department to the streets department. The position in our sanitation department has been vacant for a while now and after speaking with the Public Works Director Mark Byrd I believe that it makes the most sense for his department to try and find another employee that can help with everything that Erwin Public Works is responsible.
- There are no additional personnel changes in this proposed budget.

AMERICAN RESCUE PLAN

The proposed budget does include a one-time transfer of \$91,409 from the American Rescue Plan Fund to the general fund to cover general governmental operations. This is the final remaining balance of the funds that the Town received from the American Rescue Plan. If this proposed transfer is not approved please remember that these funds have to be appropriated by December 31, 2024. The funds have to be spent by December 31, 2026.

PRIEBE FUND UPDATES

The proposed budget includes some new line items in our revenue section and the expenditures for our Recreation Department for the Priebe Fund. The Priebe Fund will remain in place but it is now included in the General Fund. The proposed budget includes a proposed transfer of funds from the Priebe Fund to the General Fund for improvements at Al Woodall Park and to help with travel expenses if we have a youth sports team make an all-star tournament.

SUMMARY

Town Staff has worked persistently in trying to reduce expenses and save as much revenue that is possible for the Town. Over the last five fiscal years the Town has made significant improvements to our fiscal condition.

It is imperative that we be good stewards of tax payer funds especially with saving funds for a rainy day or uncertain economic times. There is always the potential for us to have a major problem to fix such as the issue we are dealing with West K Street at the moment as an example.

Town Staff has been in contact with Representative Penny in regards to the damage at West K Street. We are hoping to get some funds from the State of North Carolina to help with this project. We are going to need to do something soon to fix this road. There are a lot of exciting projects that have started or will be starting very soon in Erwin. I am looking forward to seeing the progress in 2024-2025.

Town Staff will continue to monitor our revenues to ensure that we are staying on budget. There are some concerns about the economy and a potential recession. If our revenues slow down we will have to make adjustments to this budget once it is passed.

If you have any questions, or if you need any additional information after your review, please do not hesitate to contact me. Hopefully, we have provided you with enough detail for you to be able to evaluate each departmental request and approve the proposed budget on June 24th, 2024. The budget does need to be approved by June 30th, 2024.

Regards,

Snow Bowden
Town Manager

BUDGET JUSTIFICATION SHEET

Fiscal Year 2024-2025 is the third year of the Harnett County Library consolidation project. The Town of Erwin does not have to submit any funds per the agreed upon terms. We are still responsible to keep insurance on the building, maintenance, and a portion of the utilities. These expenditures will be taken out of our Non-Departmental budget so they will be easier to track. The previous page in this document showing the budget for the Erwin Public Library was kept in the packet for transparency reasons. There is still relevant data from the previous Fiscal Years associated with the Erwin Public Library in previous budgets.

So far this partnership has been very successful. The Erwin Public Library has seen an increase in their numbers and are able to offer more services and programming. They have also extended hours and additional staffing.
